* Price includes Sample Collection, Pick up Fee, and testing by DEP Accredited Laboratory. D W Environmental Systems, Inc. reserves the right to refuse to perform testing services or to charge an additional fee where the customer is outside a reasonable area of travel from their location in Southwestern Pennsylvania. If the location is outside the reasonable area of travel and an additional charge is required, the customer will be informed prior to scheduling the sample pickup. A chain of custody is included in the price as well.

† Group discounts are available.
